A Powerful Means of Release for Kingdom Resources

# Understanding Bonds

A Powerful Means of Release for Kingdom Resources

Bond –  
an agreement with legal force.

# Bonds bring clarity and agreement

# Categories of Bonds

- Legal
- Non-legal (emotional)

- A bond ties 2 things together.
- It links 2 parties with a legal agreement.

# LEGAL BONDS:

- A legal bond of the spirit
- It achieves the effect of a net.
- It carries things between 2 parties.
- It helps ease the burden of one party through the desire of the other party.
- It creates an arrangement through which the angelic can move and it routes resources in certain directions.
- These are the positive ways to utilize a bond in the realms of Heaven.

# TYPES OF BONDS:

# Clarity Bond

- Releases a functionality of clarity, vision, or expectation. It is attached to a record and an account.
- Clarity is **a substance of heaven** and can be released from Heaven.
- It is a legal matter from Heaven insuring that angelic hosts can effect the change on the earth.
  - (It backs them up).
- Example:
  - Wisdom for actualizing unknown things.

# Bond of Release

- Effectuates a release of resources that another party can receive but is based on the faith of the initiating party.

# Unity Bond

- Leaders of an agreed upon body and those in agreement with the leadership
- The leader of the body would initiate the agreement (a writ) for the benefit of the body.

# Unity Bond

- The Phrase:
  - “*Holding all things together as one*” is vital for the language to communicate what was done in the spirit based on the faith of the leadership desiring that none should go without, but the agreement with the other party with Holy Spirit caused the bond to manifest in the earth.

# Do I have to have their permission?

- Do you have their permission to pray for them?
  - If so, you probably have permission to request a bond in their behalf.
- It is faith working by love! (Gal. 5:6)

# Do both parties have to be in agreement for the bond?

- They have to be in agreement with the Spirit (the 3rd party)
- The leader could establish it in the courts for the other party.

# Acts 2:44-47

- Now all who believed were together, and had all things in common, <sup>45</sup> and sold their possessions and goods, and divided them among all, as anyone had need. <sup>46</sup> So continuing daily with one accord in the temple, and breaking bread from house to house, they ate their food with gladness and simplicity of heart, <sup>47</sup> praising God and having favor with all the people. And the Lord added to the church daily those who were being saved.

# Emotional Bonds

- Can be requested by one party to another such as a married couple.
- It utilizes the faith of one toward another--it links the two.
- It enables the recipient to enjoy the relationship with the other party.

# Emotional Bonds

- Between a mother and her children.
  - It employs the emotional avenue to release an enjoyment of what should be based on the faith of the initiating party.

# How/when is this used?

- In the case of the emotional bond, **it is used weapon-like** but is off-putting to the enemy and can be seen in the spirit.
- It **links a stronger faith to a weaker faith.**
- It **helps effectuate an ability to believe.**
  - A strong believer releases faith for the resources of the Kingdom (whatever the need) for the benefit of the weaker in faith.
  - It enables the weaker party to receive from the storehouses of Heaven based on the initiating parties request.

- Likened to standing in the gap.

# Financial Bond

- Releases resources of Heaven on behalf of another.
- Come out of the realms of Heaven attaching something from the realms of Heaven to a need on the earth.
- It increases the likelihood of the recipient receiving what the requestor attached (requested in the realms of Heaven).
- IE: A school needs supplies.
  - A bond from a believer can be enacted so that an attachment is made on the believer's faith from the realms of Heaven.
  - It is impacted by one's faith. Great faith equates to a stronger attached bond.

# Safety Bond

- Paul on the ship –
- Paul via communication with the angel requested a **“Writ of Release for the Safety of All on the Ship.”**
- This insured it happened due Paul's request in the Courts.
- The Bond is the paperwork of the Writ.

# How is this different from a requisition?

- It is always for another parties benefit, not the benefit of the initiator.
- It utilizes the stronger faith of one believer over another and helps all grow up in Christ by not requiring the less knowledgeable to gain understanding in all things.
- Their faith be jump started.
- It is a separate legal force stronger than a regular petition.
- The angels are more intentional about helping the receiver walk it out.

# Bond of Perfection (Maturity)

- Col 3:14 But above all these things put on love, which is the bond of perfection.
- Paul's faith for them to be grown up quickly was aided by Paul's bond - they would not stumble as much.

# Bond of Peace

- Eph 4:3 endeavoring to keep the unity of the Spirit in the bond of peace.
- It is a Clarity Bond for Unity.
- A guarantee of like-mindedness was released through that bond.

# Where do you go in the COH?

- Court of Titles & Deeds
  - Legally similar to a title.
  - It's moving of property from one entity to another via the spirit.
  - It is in effect – a lease
  - It's like a lease agreement. It is a lease on the resources.

# CAUTION:

- It's new revelation and the likelihood of misuse is high.

# How can we caution them for rightful use?

- Love is always central.
- Anything born out of the love of one's heart will keep you from going in the wrong direction and prevent you from having to repent for something later.

# You can release bonds for

- Creativity
- Finances
- Safety
- Emotions
- More confidence

# How about someone struggling with fear?

- Fear is the lack of confidence in love and love's ability.
- It is agreeing with faith for the wrong thing.
- Writ of Release for an Undergirding
- Writ of Release for a Sense of Not Being Alone

A benefit of Heaven trading on Heaven's bounty, the goodness of God and the understanding of the knowledge of the resources of heaven on behalf of another.

Can be used where you see a lack in  
someone's life.

# Writ of Release for Wisdom

- James 1:5 If any of you lacks wisdom, let him ask of God, who gives to all liberally and without reproach, and it will be given to him.

# Does the Body of Christ use this?

- They use a lesser form when they say "I Bless you!"
- Whereas that may be a sentiment a release of a bond in their behalf would be a stronger legal matter.

Churches are in great need of doing this.  
The leaders need to do this corporately.

# 1 Corinthians 12:18-28

- But now God has set the members, each one of them, in the body just as He pleased. <sup>19</sup> And if they were all one member, where would the body be? <sup>20</sup> But now indeed there are many members, yet one body. <sup>21</sup> And the eye cannot say to the hand, "I have no need of you"; nor again the head to the feet, "I have no need of you." <sup>22</sup> No, much rather, those members of the body which seem to be weaker are necessary.

# 1 Corinthians 12:18-28

- <sup>23</sup> And those members of the body which we think to be less honorable, on these we bestow greater honor; and our unpresentable parts have greater modesty, <sup>24</sup> but our presentable parts have no need. But God composed the body, having given greater honor to that part which lacks it, <sup>25</sup> that there should be no schism in the body, but that the members should have the same care for one another.

# 1 Corinthians 12:18-28

- <sup>26</sup> And if one member suffers, all the members suffer with it; or if one member is honored, all the members rejoice with it. <sup>27</sup> Now you are the body of Christ, and members individually. <sup>28</sup> And God has appointed these in the church: first apostles, second prophets, third teachers, after that miracles, then gifts of healings, helps, administrations, varieties of tongues.

The leaders are to be releasing bonds  
in behalf of the people.

A church is not receiving the release because the leaders are not releasing bonds.

Using the members lack as a means to control them is wrong.  
You should be releasing the resources of Heaven to their benefit.

# Healthcare Related Bonds

- The ER Staff goes to work
- *You don't have to have permission to pray for them*

# Regular Heaven's Hospital

- Sign them in to the Hospital
- You inform the desk you come with a Bond of Healing (Writ of Release for Faith for Healing)

# The Power of Bonds (Part 2)

# Ungodly Bonds

- **Bond of Iniquity** –
  - a lesser bond than the others.
  - Increases the likelihood of one's life being diverted.
  - Attaches often through words of the mouth via sorcery or witchcraft
  - It brings heartache to a great many people, their descendants, and their lives
  - Used to harm a life
  - It can be established in a ritual
    - In the ritual death is usually involved

It forms a bond which is like a band which keeps one from their given ability.

# Bond of Iniquity

- Keeps them back from what they are called to do.
- The enemy uses it quite often - more than we think.

# How can we recognize it?

- You can usually see it due to the cycles you see in one's life:
  - harm
  - destitution
  - nakedness
  - those who are poor in spirit
  - unawakened

# Is there a registry for these things?

- It is registered in the Courts of Hell
- Demon entities keep track of it

# Do the Courts of Heaven have a registry for this?

- **Registry of Bonds of Iniquity** is in the Office of Registry
  - Ask to see it
- 
- *Office of Registry is a subset of the Court of Records*

- When a bond of iniquity is broken demons immediately go to work trying to insert it into the generational line again
- They hunt for someone alive at that time
- Freed believers need:
  - the protection of the armor of light
  - ?
  - Agreement with other saints that the blood of Jesus is a security

# Registry for Godly Bonds

- When godly bonds enacted –
  - Placed in the person's folder in Court of Records
  - The Court of Times & Seasons also has a record of when they were initiated
  - T&S also has records of bonds for cities, ministries, etc.

# Time Constraints

- On occasion a bond will show no movement due to a superior timing requirement
- Once the timing is cleared that bond will have a priority placement in its fulfillment

Bonds are beautiful free things that Heaven wants us to utilize more because it affects things swiftly because of the ease at which it can come.

## **Does a godly bond have an expiration date?**

No, unless you ask for one when requesting it.

## **Is it better to request bonds individually or as a group?**

It's better to ask individually unless the persons have agreed to be a group.

# Examples of Groups

- Club members
- Citizens of a city or county
- College students
- Church members
  
- Example: Gathering of saints in a stadium
  - All those who made an agreement to be on the property at that time

# Bonds for the Non-believer

*Things are about to change!*

Asking for a bond for the unsaved  
has been rarely used and little known.

# Can you give us pointers on using it on the unsaved?

- A child who has yet to know the conviction of Holy Spirit
  - Parent requests a Power Bond – Writ of Release of the Power & Might of God (or power OR might)
  - It would manifest as conviction of who they are and who Jesus is

# Example

- Similar bond for someone college age:
- Bond is similar but may manifest differently

# Other Bonds or Writs

- Bond of Recognition of Saving Grace
- Writ of Release of the Power & Might of God for a College Campus
- Bond of Desire for God
  - Writ of Release for the Wooing of God
- If one has specific connectedness to a college campus (i.e. a child is a student, your proximity to the school, your interest and understanding, your sphere)

# What bond for someone in addiction?

- Bond of Clarity Concerning their Own Addiction
- For most sins - Bond of Clarity
  - the person would be able to see the truth
- Regardless of the addiction this type of bond is powerful

Bonds are subject to timing –  
only the time that the Father knows.

Generally a bond  
will always initiate the angelic.

Don't fret if requested a bond and we don't see it working it may be the bond is under a framework of time of the nation. Nevertheless it will be logged in Heaven.

**Example:**  
Paul wanted to go to Asia  
but was redirected.

# Show us some of the pitfalls?

- If it is not done from love or if it is done to control.
- If the motivation is control, then it is a bond out of the Court of Hell

# Undoing an ungodly bond:

- See it in the registry
- Protocol of forgive, bless & release
- Request a Writ of Severance of the ungodly bond

# What about when those in darkness when a demon has been bound to someone?

## • **Access Court of Cancellations** –

- Simply request a cancellation of the bond, and all associated Writs all the way back to the point of its inception.
- Forgive, bless, release the one who set it up.
- Ask the blood to cover it.

# Current Strategy

- Low level witches are seeking to establish bonds against the president, governors, LEO's, etc.
- They use ungodly bonds to create demonic assignments.

Just as godly bond release angels,  
ungodly bonds release demons

# Demolition Expert:

# Why did you bring us here?

- To show us the capability of the angels to destroy.
  - *We have not loosed the armaments.*
  - *More firepower of Heaven needs to be released offensively.*

How will these witches ever know the firepower of God unless the saints began to access the armaments of Heaven?

- Angel has a large pocket watch. It is time for the release of this from Heaven.
- It's time for release of the weapons of warfare that have not been released - the weapons of the saints.

# Agreement for the Release of the Armaments of Heaven

- He wants us to sign our names on the scroll - like a petition
  - It needs a number of saints to sign off on it so it becomes a legal decree -so more saints can become aware of the armaments of Heaven.

- They are supernatural and affect many realms
- They affect the trade routes between the realms that a large portion of witches and immature witches ones are using.

# The Booby-trap

- This will become common - it is little used
- Learn to release a booby-trap against the enemies of Yahweh in the spiritual realms
  
- It will contain and make witches think twice about releasing ungodly bonds.

# How do we set these booby-traps?

- We can set them around individuals (simply by prayer and vocal decree).
- We can set them against illegal trespassers in the spirit realm by vocal decree.
- We can set them over cities (especially if we have authority for that city (meaning we are a part of it)). (simply by prayer and vocal decree).

When we loose an ungodly bond  
(if we have laid the booby-trap) then,  
when the workers of darkness place the  
bond, by their action they walk into a trap.

# Courtroom side:

- **Court of Decrees** - You can see the map of places where you can put these booby-traps in the strategy room.
- Request if you have been granted authority to release booby traps over regions.
  - COD will have info on where booby traps are needed.
- Coming into agreement with the decree - this is a form of signing off on the decree.

# How do you get the clearance?

- Heaven knows if you have it or not.
- Clearance comes because of practice - stewardship.
- You are allowed to come in and look to see if you have clearance.
  
- Once you have clearance - you have the authorization

# What is the protocol?

- Access the Court of Decrees complex
- Access the Strategy Room
- If you have clearance you will be able to see the map for the region with activity needing the booby-traps
- Request the decree for them be issued from the Court of Decree by agreement in the name of Jesus'
- Once approval is granted take the decree and establish it in the earth

It's to keep the immature out of it.  
You need to have walked in some  
maturity.

# How else can we set booby traps?

- We can do it vocally in prayer.

# Which is most effective?

- Doing it from the Courts
  - It carries greater authority and specific knowledge when you do it in the courts
- The difference between sniping (a high caliber rifle and a shotgun)

# Bond of Theft

*Binding the Generations to Lack*

# Bond of Iniquity

- The enemy has a version of the Bond of Iniquity called Bond of Theft
  - When a bloodline begins trading in thieving (material and immaterial goods (reputation, status, etc.) - even tries to steal favor) the enemy hunts for someone who is lusting after someone else's good, status, reputation, etc.
  - It gets linked to a generational line and is like a backlash for the one who originated by their lusts.
- First, they get stuck in the cycle of lusting
- Then a bond is created by Satan affecting the generational line.

# God says, “Do not covet”

- It’s because he knows coveting can initiate this writ in the bloodline

# Things we call results of iniquity

- they can't hold on their seed
- they lose favor with God & man
- Are the result of the Bond of Theft
- Registered in Hell and in Heaven's registry
- We can look for it in the Office of Registry

# Steps to freedom:

- Request access to Court of Titles & Deeds
  - Request a Writ of Severance
  - Follow the steps of forgiveness
    - Forgive
    - Bless release
  - Repentance for the ancestry's sin
- Request access to Court of Cancellations
  - Include all ramifications for all who were attached to that bond by blood, marriage, adoption, civil or religious covenant.

# What would a Bond of Theft look like in the OT?

- David lusting after Bathsheba resulted in this bond being created and resulted in the death of the child.

# Ungodly Bonds

- Bond of Time
- Bond of chaos
- Bond of Injustice
- Bond on Her Health - is not able to function
- Bond of a Yoke of Sadness
- Bond of Not Having Accountability
- Bond of Bondage (was a Family Bondage)
- Bond of Stagnation

# Questions & Answers

Power of Spiritual Bonds (Part 3)

# Steps to Freedom (Part 1)

- Request access to **Court of Titles & Deeds**
  - Request a **Writ of Release** from the bond
  - Follow the **steps of forgiveness**
    - Forgive
    - Bless
    - release
  - **Repentance** for the ancestry's sin

# Steps to Freedom (Part 2)

- Request access to **Court of Cancellations**
  - Request **cancellation of all impact & ramifications** for all who were attached to that bond by blood, marriage, adoption, civil or religious covenant.
    - And **all negative impact** on the lives affected
  - Request **restitution** of all that has been lost
  - Request **full release** of all godly bonds

# Q&A

- **When we request a bond for a person or group does it negate things like accusations against them?**
  - In the case of an individual a **Bond of Clarity** would **affect** a struggle with **doublemindedness**.
  - The **struggle** would be **pushed back** and **sudden moments of clarity** would be granted to the individual.

# Q&A

- **When we request a bond for a person or group does it negate things like accusations against them?**
  - With a group (ie. College students on a campus) the issuance of a bond out of the resources of Heaven would bring about **the removal of the effect** the **negative schemes** of the enemy essentially pushing them back and **giving them room for a new thought paradigm.**

# Q&A

- **When we request a bond for a person or group does it negate things like accusations against them?**
  - In the case of a college campus where you ask for a **Bond of Grace** space is given for a new thought about how they could appreciate the grace of God for their life.
  - So it is **not negating the activity of the enemy**, but **it is imparting a sudden strength** in the **area of specificity** of the bond that was requested.

# Q&A

- **Are accusations resolved through issuance of a bond?**
  - The bond **doesn't meet the accusation.**
  - The accusation **still has to be dealt with.**
  - The bond may **affect their ability** to get to a place to understand and have it dealt with but doesn't deal with the accusation itself.
  - Accusations **stand until dealt with.**

# Is it the same with false verdicts?

- In the case of **false verdicts**, the individual is **highlighted to Heaven** for being on **a fast track** for **getting the false verdict removed**, but it **doesn't** actually **remove** it.
- However, depending on the type of bond asked for it, **it aids the individual's life in such a way as to contribute to the resolution** of the false verdict.
- Once again, the **false verdict** would **stand**.

# Is it the same pattern concerning covenants or oaths?

- Yes, it's the same pattern.
- A **bond enables a person** and it **may bring them to a point of decision** helping them see or understand when they have not begun to think, feel, or see that direction.
- A **bond, depending** on its **specificity** and **type** would **result in enabling that person to gain sight** of the **covenant or oath** that they made or that had been made in their bloodline.

# Q&A

- **If, in the registry of bonds you seen an ungodly bond that you obtain a writ of severance for, is it necessary to get a counteracting bond in behalf of the person or group?**
  - **It's always good to release a bond.**
  - **Never will you see a time you wouldn't want to release a bond for someone.**
  - **If you don't know** at that moment **what bond to put into place**, it would be OK not to put one in.
  - **Unction of Holy Spirit** at a **later time** might bring the **specificity of the bond** through love for that individual to you, or He might enact that through another who has a **broader understanding** of that person's life and a **deeper love** for them.

- So, it's **always good to establish a bond** in a person's life out of the resources of Heaven which are so grandly available, but it is **not a necessity or a necessary step.**
- **It is necessary** however, **once seeing a bond which is ungodly** in a person's registry **to do all means to remove the bond** as it is working against their life, calling, often their purpose, and even seeking to shut down gifts the Father has granted.

# Is our format OK that we are using and teaching in the Court of Cancellations?

- Yes, **always receive the Writ of Severance.**
- It's **always great** for the individual to be able to **understand the magnitude** of the **Writ of Severance.**
- **A pause might be recommended in a ministry session order** so the person can **sense, feel, or get in touch** with the **freedom** that was **just given through the Writ of Severance.**

# Is there any further recording of that writ that we need to be involved with?

- No, it's **already taken care of.**
- The Bonds Department **takes care of it.**

# Q&A

- **Natalie seemed to gather that in the Registry some names were highlighted while others were not and this was important. It seemed indicate that they were active or inactive. Can you explain that to us?**
  - The one's **highlighted or bold** are **active**.
  - The ones **not highlighted or bold** are **inactive** and **lack demonic activity** at that time.
  - For example: A Bond of Iniquity to a bloodline that seems pale or inactive may simply be due to their **lack of attention** to that particular bond.

- Yet at any moment it **could become active again.**
- This is **often the case** with **individuals** and is a **reflection of the activity of evil** specifically with so many witches coming against individuals loosing ungodly bonds in our day.

# Pages in a Bond Registry include:

- Personal
- Family
- Business and/or Ministry
- Relationships

# Concerning the Family Page

- When removing an ungodly bond from a family, it is **always removed from the immediate family (i.e. spouse, children and parents.)**
- Should the individual **not be married** it is **removed from them**, their **offspring** and **their parents.**
- However, **not necessarily from siblings** which has to do with their choice of walk, but the grace of God affects the immediate line.

# Concerning the Family Page

- With an unmarried person, it would be removed from **them** and from **their parents** but not their siblings.
- However, it would be **logged in Heaven** that there is **a freedom in that line**.
- **An ease** for the **dissolution of the bond** for the **siblings** would come as well as an **ease in other ways**.

# Business/Ministry Page

- An **ungodly bond** against a **business** always has to be **viewed in light** of what the **business is trading**.
- The **individual trades** could have **bonds against them**, or the **entire business** could have a bond.
- The **ministry could have a bond**, or the **ministries' trades** could have an ungodly bond against it.
- This would be due to **evil activity choosing the level of opposition**; whether they are coming **against the trade** of the business or ministry, or entity, or **against the business, ministry, or entity itself**.

# Business/Ministry Page

- It requires a lot **more work on the part of evil** to loose these **ungodly bonds against a business, ministry, or entity.**
- It takes **more work** for them **to keep** the **ungodly bond** in place **against the entire business** than it does against **the individual trade.**
- It's **easier** for them to come **against a trade** than to **come against an entire business.**

# Business/Ministry Page

- The degree of work it requires of them means they are **more likely to focus** on an **individual trade** rather than the entire business.
- It takes **more work for them to accomplish it** and **maintain it** in the spirit realm, but you can very often see **ungodly bonds established by evil against a specific trade.**

# Ministries

- **What are common ungodly bonds ministries deal with?**
  - **Bond of Division** - to interfere with their progress.
  - **Bond of Cloaking** - to make the ministry invisible.
  - **Bond of Derision** - this makes the rest of humanity mock them, consider them irrelevant, or casts dispersion on them.

# Ministries

- The bonds can be **targeted to the ministry** itself or to **their individual trades**.
- For example, if a ministry decides to have a particular outreach or particular thrust, then the witches could **come against that trade** with ungodly bonds and **not** have to come **against the entire ministry**.

# Relationships:

- **What are common ungodly bonds against relationships?**
  - **Bond of Division** – Keeps them from moving forward in unity.
  - **Bond of Prickliness** – The persons cannot see eye to eye, cannot get close. This often happens suddenly.
  - **Bond of Scarcity** - Keeps the people apart in time and connection, time they spend together or time spent thinking of the other

# Relationships:

- **What are common ungodly bonds against relationships?**
  - **Bond of Lack** – (Lack is **different from scarcity** which refers to **the time they spend together** or time they spend thinking of the other.)
    - **Lack** serves to **hinder them from sharing resources, ideas, dreams,** etc. with each other; the things you would build a relationship with.
    - It **serves** as a black hole **where** all of a sudden **you stop sharing** those things and **the relationship suffers.**
  - **Bond of Displeasure** – This **predisposes** the people in the relationship **to find fault and judge** each other.

# Asking for Opposites

- **The opposite** of these **ungodly bonds** is what you want to ask a godly bond for.
- For instance:
  - Bond of Lack <> **Bond of Plenty** or Bond of Deep Sharing
  - Bond of Displeasure <> **Bond of Esteem** or Bond of Honor or Bond of Respect

# More about bonds

- More **godly bonds exist** than are available to darkness as the counterpart (or that they are currently using).
- Bonds are **wonderful things!**
- It's the **Father's pleasure**. There is so much pleasure in Heaven when the saints ask for bonds.
- The Bond Department hasn't been busy for a while. It's been basically empty.
- The **Bond Department** is **the backend** where these things are recorded, worked out, **angels released, assignments given, or noted from where evil bonds were established.**

# Groups

- When it comes to relationships in groups, (a church, for example) if you **deal with the bond against that group.**
- The **groups have to be connected** (they have had to **agree to be a group**) in order to dismantle an ungodly bond against them.
- You will use **the same procedure as for individuals.**

# Groups

- **When you release in behalf of a group does it release the group as a whole?**
  - Yes, it **does for those** who are **in agreement** with the group.
  - The people on **the fringes** of the group who have **not** made the **full agreement** in their heart to be part of that group, so **the bond may not affect them.**

# When you remove the bond from a group:

- Do it for **the group** that **is in agreement**;
  - The **ungodly bond** would **not affect those** around the group who are **not in agreement** with the group.
  - They are essentially **sightseers**.
- **Heaven and hell** can **tell the difference** and so can evil.

# More about nations:

- A bond for **a nation** is **connected to time** and to **the cycles and seasons of the Father**.
- Sometimes these are **things only the Father knows**.
- **All bonds for nations are surrendered** to that.
- **Factions exists within nations** and **we can release godly bonds** to a **part of a nation** – a faction or commonality of a nation – this would be helpful.

# Ask for segments

- He gave an example of a current issue in the United States.
- He told us we could ask for a bond just for a particular segment.
- He cautioned us to **be sure** to have **the Father's heart** in our bond request (**otherwise** it could become an **ungodly bond**).
- We asked for a suggest of what to ask for and he suggested a **Bond of Awakening**.
- Be sure to have the Father's heart for this. **It must be done from love.**

# What about our President?

- **Bond of Clarity** as well as a **Bond of the Nearness of the Presence.**
  - President Trump is fairly new in understanding his nearness to God and God's nearness to him.
  - Often his level of feeling alone is heightened.

# What about dealing with the impeachment situation?

- He recommended a bond for the Senate.
- It would **be better** to **release a bond over the group** than over individuals.
- He suggested a **Bond of Clarity** and also a **Bond of Distinction** (which would serve to highlight the distinctions Yahweh would point them to).
- The **Bond of Distinction** is **very supernatural**.

# Australia

(Regarding the recent fires)

- Release a **Bond of Security** -- especially **to the saints**.
- It would bring a **wherewithal to know what to do** in a crisis because it releases angels with it.
- Whites in **South Africa - Bond of Security** – it would be a similar situation.

Remember,  
**always look to love** when  
determining a bond request.

We can ask for different ages  
(Millennials, GenX, etc.).

**Ask for bonds for subsets**  
of the larger whole.

# Every individual who seeks a bond for a nation...

- The **bonds are released** to the nation as requested (**based on timing**) and
- Are **collected** and **weighed** on a scale.
- The bonds begin to **pile up**.
- The begin to **make a corporate cry** – something Heaven is looking into and responding to and taking note of.

- **The type of individual** who is going **to request a bond** for a **nation** or the faction in a nation **has the Father's heart** and it is a current and real move of God.
- **All of Heaven is looking at this** and **counting the number** of these **types** of bonds.
- The **vastness of the quantity** of them is going to **have a voice** in Heaven.

# Every individual who seeks a bond for a nation...

- This is **similar to the bowls filled with prayer** spoken of in Revelation, but different.
- These bonds are being counted in a giant **Hall of Justice** because it has to do with **the justice of a nation.**

# As the saints pray --

- For nations and factions within nations to release bonds,
  - **They are counted** and **their quantity is recognized** in Heaven, so
  - As the nations' swing in the balance – as they are judged all **these things are taken into account** by the Father.
  - **All of Heaven's resources** are now **involved in a trade.**
  - **It will make a difference** in what is judged in that justice hall **concerning that entire nation.**

# What nations are at the top of the list?

- China
- Saudi Arabia
- Belize
- Australia
- United Kingdom
- Canada
- Bolivia
- Germany
- Maldives
- Indonesia

When we have a **connection** to a nation it  
**is set in our heart in a greater way**  
because **we have love for that nation**  
**because of those** we are **connected to** in  
that nation.

We can look at **natural events**,  
earthquakes, volcanoes, etc.  
These **events will move a nation**  
to the **top** of the list.

# Hospital Info - ER

- **Emergency Crisis Bond** can be made **from** the **Emergency Department** of a hospital rather than the other protocol.

# How do bonds work with healing?

- In similar manner from
  - the **heart of the Father**
  - **through love** requesting the **resources of Heaven** for a Bond of Healing.
- The Bond of Healing can take the form of **specificity** (not from the healing of the specific disease so much as **for the result of wholeness**).
- You could just ask for a **Bond of Wholeness** but **make it for a body system** (i.e. wholeness for the nervous system, a bond of wholeness for the heart, or for brain activity).

# Bonds of Healing

- These **Bonds of Healing** are going to will **make it easier for miracles** to come forth.
- For example, if you **request a Bond of Healing** for someone with brain trauma **the greater the possibility for the miraculous** to come forth.
- This is especially in this season at this time for **all body systems** because the **saints are pressing** into **miracles**.
- A bond has **a connection** by **easing other intercession for miracles** as it concerns **healing**.
