

Covenants Within Contracts

Extra-curricular Activities

An additional fertile ground for workers of darkness is via the extra-curricular activities within the school systems. Opportunities for abuse exist and abound in these settings. These includes sports, clubs, volunteer organizations, and more.

MODEL PRAYER OF RELEASE

I request permission to enter the Court of Cancellations this day. I ask You to open the book of record of my life containing the record of my life and my activities and involvement in extra-curricular activities – whether by participating in sports, clubs, band, or other activities. I ask You to examine the records for me, my children, or anyone in my care who was defiled by contact with a defiled leader or participant. I ask you to identify every covenant, every unclean agreement, every name, device, or label, or ownership claim that has crippled my physical, emotional, or spiritual vitality from that time on.

Having identified these things, I ask You to obliterate their power. I ask You to destroy every device and remove the bondage of these devices. I ask that You annul every covenant, cancel every agreement that I was subject to or became subject to during my involvement in these activities. Strip away every spiritual name and label that was applied to me. Every spiritual tribe I was initiated into, I ask You to remove me from. Every brand or label by anyone other than You, the Most High God, I ask that You cancel and obliterate these names or labels that have placed me in bondage.

I ask that You restore what was taken from me through these things. Every place where I was tricked, coerced, or deceived into coming into some degree of ownership of the enemy, I ask You to transfer title to You, the Lord of Hosts, mark as satisfied every lien, note or lease, and release me from these wicked entities and organizations. I ask you to utterly destroy these false titles.

Where I, my children, or others in my care have been traumatized by events occurring in mine or their lives during this time, I ask that, in Your mercy, You would

reach in and heal the trauma, remove the blot of it from our DNA. Where our soul or spirit have been fragmented, we ask You to restore in Your great love.

Restore to me more than what I lost as vengeance on Your ancient foe. Release all that is necessary to me to experience Your full restoration, in Jesus' name.
